Project Name	ComicCraft - AI Comic Story Creator using Gemini Models
Maximum Marks	4 Marks

Empathy Map

SAYS

- "I want to turn my ideas into a comic story."
- "I need help with dialogue and panels."
- "I want my characters to stay consistent."

THINKS

- "Will the story flow from panel to panel?"
- "Can AI help me visualize my scenes?"
- "Will the final comic feel original?"

PERSONA
NAME

Comic Creator
(Primary User)

DOES

- Develops story ideas and writes scene descriptions.
- Uses AI to create dialogue and panel suggestions.
- Refines characters, visuals, and the final comic.

FEELS

- Excited when ideas become visual stories.
- Frustrated by blank-page and consistency challenges.
- More confident with structured creative guidance.
